

*Wind beneath our Wings:
Commemorate the past; Take Flight toward the Future*

We invite you to participate as a sponsor by donating an item of interest for the Audubon Center for Birds of Prey Anniversary dinner being held November 12th. This event will celebrate 30 years of raptor rehabilitation, conservation and education in Florida and will bring together conservation leaders, wildlife policy makers, educators, wildlife rehabilitators and a broad audience from economic, academic, social, environmental and other sectors.

Please take advantage of supporting this unique event by

Conservation Milestones:

- 372 Bald Eagles released,
- 13,000+ patients admitted including more than 1,000 Bald Eagles
- 25% of the states Bald Eagle nests monitored
- More than 40,000 individuals reached through educational activities

donating an item of your choice towards the **Silent Auction** to be held during the reception cocktail hour (6-7PM). Items can vary in value, however we ask that starting bids begin at \$150. All funds raised through the silent auction directly benefit Center programs. All gifts are tax deductible and individuals and/or companies who donate will be recognized in the dinner program.

As we look towards the future, we will celebrate the success that 30 years have brought us. By participating in this event, you and your organization will receive many benefits and a chance to connect with more than two hundred Floridians who are actively engaged in conserving and protecting Florida's raptors. As the Wind Beneath our Wings, our sponsors and supporters are the foundation in reaching our goals and upholding our mission.
